

Course Syllabus

Course from study programme for the cycle: 2023/2024

I. General Information

Course name	Protection of intellectual property
Programme	Informatics
Level of studies (BA, BSc, MA, MSc, long-cycle MA)	BSc
Form of studies (full-time, part-time)	full-time
Discipline	informatics
Language of instruction	English

Course coordinator	dr Krzysztof Dobieżyński
--------------------	--------------------------

Type of class (<i>use only the types mentioned below</i>)	Number of teaching hours	Semester	ECTS Points
lecture	15	I	1
tutorial			
classes			
laboratory classes			
workshops			
seminar			
introductory seminar			
foreign language classes			
practical placement			
field work			
diploma laboratory			
translation classes			
study visit			

Course pre-requisites	none
-----------------------	------

II. Course Objectives

approximation of the basic concepts and principles of protection of industrial property and copyright; familiarization with the resources of patent information
